*An alternative path to your
Dogwood Diploma*

Abbotsford Senior Secondary

What is ISP?

- ◇ An alternative method by which to obtain your Dogwood Diploma
- ◇ Four grade levels: grades nine through twelve, offering a variety of courses
- ◇ High expectations around achievement, attendance, and attitude
- ◇ One main classroom, teacher, and teacher's assistant: this means strong relationships and constant accountability and feedback
- ◇ A “less-hassle” way to learn: one set of expectations, one teaching style, one room!
- ◇ Interactive lessons, group work, class discussions, independent assignments, projects, field trips, and so much more
